

EMBARKING AND DISEMBARKING

To enable a smooth flow of crews to and from the landing stage, will crews please follow the directions shown in the diagram below.

DO'S

- Follow the above system
- Inform the landing stage marshals if you are “hot swapping” a boat. Have the new crew ready.
- Have your entire crew ready for embarkation; reduce the time spent on the landing stage.
- Keep roads and footpaths clear.

DON'TS

- Linger around the landing stage area with your boat
- Jump the queue unless instructed by a marshal
